Programme Description and Supporters

Please use the following in any communication about your KTP:

"Knowledge Transfer Partnerships (KTPs) aim to help businesses improve their competitiveness and productivity through the better use of knowledge, technology and skills within the UK knowledge base."

And either: "This KTP project was funded by UKRI through Innovate UK "or, if co-funded:

This KTP project was co-funded by UKRI through Innovate UK and [insert co-funder name]."

See next page for co-funder details.

You may also wish to use the following:

"KTPs are funded by UKRI through Innovate UK with the support of co-funders, including the Scottish Funding Council, Welsh Government, Invest Northern Ireland, Defra and BEIS. Innovate UK manages the KTP programme and facilitates its delivery through a range of partners including KTN, Knowledge Bases and Businesses. Each partner plays a specific role in the support and delivery of the programme."

The Knowledge Transfer Partnership programme creates a dynamic three way partnership between a business, a specialist academic team and a talented graduate or post graduate (the Associate).

The programme, funded by UKRI through Innovate UK, has been running for over 45 years and during that time has enabled more than 14,000 businesses to drive innovation for positive impact.

KTN is a delivery partner of the programme, providing expert support to all KTP projects and Associates via its national network of 31 Knowledge Transfer Advisers.

Branding

For KTPs funded by Innovate UK please use the Innovate UK logo. Brand guidelines are [here](#).

Where appropriate (e.g in press releases & project reports, please always use the InnovateUK/UKRI logo.)
